

## ARDLEIGH ST MARY'S CHURCH OF ENGLAND VOLUNTARY CONTROLLED PRIMARY SCHOOL

*Our School is a Christian place where children come to learn more about themselves and the world and where they will develop a lifelong love of learning.*

## ANTI-RADICALISATION POLICY STATEMENT

Ardleigh St. Mary's Church of England Voluntary Controlled Primary School is fully committed to safeguarding and promoting the welfare of all its pupils. As a school we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability. At Ardleigh St. Mary's all staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs.

### LINKS TO OTHER POLICIES

Ardleigh St. Mary's CEVC Primary School Anti-Radicalisation policy statement links to the following policies:

- \*Child Protection and Safeguarding
- \*Public Sector Equality Duty information
- \*Anti-bullying policy
- \*Behaviour policy

### AIMS AND PRINCIPLES

The main aims of this policy statement are to ensure that staff are fully engaged in being vigilant about radicalisation; that they overcome professional disbelief that such issues will not happen here and ensure that we work alongside other professional bodies and agencies to ensure that our pupils are safe from harm.

The Principle Objectives are that:

- \* All governors, teachers, teaching assistants and non-teaching staff will have an understanding of what radicalisation and extremism are and why we need to be vigilant in school.

\* All governors, teachers, teaching assistants and non-teaching staff will know what the school policy is on anti-radicalisation and extremism and will follow the policy when issues arise.

\* All parents and pupils will know that the school has policies in place to keep pupils safe from harm and that the school regularly reviews its systems to ensure they are appropriate and effective.

## **DEFINITIONS AND INDICATORS**

Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

Extremism is defined as the holding of extreme political or religious views.

## **PROCEDURES FOR REFERRALS**

Although serious incidents involving radicalisation have not occurred at Ardleigh St. Mary's to date, it is important for us to be constantly vigilant and remain fully informed about the issues which affect the region in which we teach. Staff are reminded to suspend any professional disbelief that instances of radicalisation 'could not happen here' and to refer any concerns through the appropriate channels (via the Child Protection/ Safeguarding Designated Lead).

## **THE ROLE OF THE CURRICULUM**

Our curriculum promotes respect, tolerance and diversity. Children are encouraged to share their views and recognise that they are entitled to have their own different beliefs which should not be used to influence others.

Our PSHE (Personal, Social and Health Education), Citizenship and SMSC (Spiritual, Moral, Social and Cultural) provision is embedded across the curriculum, and underpins the ethos of the school.

It is recognised that children with low aspirations are more vulnerable to radicalisation and therefore we strive to equip our pupils with confidence, self-belief, respect and tolerance as well as setting high standards and expectations for themselves.

Children are regularly taught about how to stay safe when using the Internet and are encouraged to recognise that people are not always who they say they are online. They are taught to seek adult help if they are upset or concerned about anything they read or see on the Internet.

## **STAFF TRAINING**

Through INSET opportunities in school, we will ensure that our staff are fully aware of the threats, risks and vulnerabilities that are linked to radicalisation; are aware of the process of radicalisation and how this might be identified early on. All staff and Governors to be trained as part of the PREVENT Strategy.
