

Our Values

Our mission is for a loving Christian Community of children and adults who have the courage to engage in a journey of lifelong learning.

We achieve this in a safe and happy environment providing both stability and enjoyment.

Our school promotes physical health, emotional and spiritual well being.

Through our Christian values we will give children the inspiration and skills to follow their dreams.

Christian Values

Each term we focus on a different Christian Value.

This Christian Value is introduced to the pupils in the first Act of Collective Worship of the term and developed over that term, building upon the children's knowledge and understanding. This Christian Value not only forms the foundation of the Collective Worship carried out but it also permeates through everything the children do at school.

Over the academic year 2018-2019, the Christian Values we will be promoting are:
Perseverance, Forgiveness and Courage.

These are taken from our list of Christian Values:- Compassion, Courage, Creativity, Forgiveness, Friendship, Generosity, Hope, Humility, Justice, Peace, Perseverance, Respect and Reverence, Responsibility, Service, Thankfulness, Trust, Truthfulness, Wisdom

Ardleigh St. Mary's takes opportunities to actively promote the above values through the Spiritual, Moral, Social and Cultural development of all our pupils.

We create real opportunities and experiences in order to promote the positive values essential for being a responsible citizen in the 21st Century.

In creating any opportunity or experience we must also face the challenge and responsibility of questioning all pupils, staff, parents and members of our local and global community, if they are expressing opinions contrary to any of the above values, including extremist views.
