Where every person counts

Report by Nicholas Connor and Grace Hoggarth

This week at the School Council meeting we talked about the question box and that it was almost finished.  
Next we discussed the moving of the Friendship Stop to a bench.  
You will hear more of this later.

### Science Workshop

On Thursday, Mrs Wignall took Charlotte Tree and William Cawthorne to Mistley Norman CEVC Primary School to take part in the Tendring Small Schools' Cluster G&T Science Workshop. They joined other children from the schools in the Cluster in a science investigation all about colour.

Mr Burnup, the Headteacher at Mistley Norman, led the workshop, which included finding about primary colours and how the colours in the spectrum produce white.

### Reminders

#### Can we remind you of the following:-

If parents and children arrive between 8.30am and 8.40am please could all children stay in the playground until the member of staff on duty comes out. At this point parents and children in Class 1 can go to their classroom and children and parents in Class 2 can take their belongings to the area outside Class 2 and then come back to the playground.

Children are not allowed to play on the railings outside of Class 1, Class 2 and the hall. This is to prevent any injuries that may occur as a result.

As the weather is now becoming considerably colder please make sure that your child/children wear/bring the most appropriate clothing to school.

Thank you for your co-operation in these matters.
