### Big Bug Experience

Last Friday, the 8th March, Class 4 went to Manningtree High School as they had been invited, along with some other local schools, to participate in the 'Big Bug Experience'.

The pupils were allowed to touch and hold the bugs, if they wished to, and were encouraged to ask questions in order to find out more about these creatures.

Many of the children were a little reluctant to hold the big bugs, especially the scorpion or tarantula, but were fascinated by these and were keen to discover as many facts as they could about them.

We would like to thank Manningtree High School Science department for inviting us to join in with this experience and I know it is one they will remember for a long time!
