Essex School Games Squash Competition

Last Friday, 20th January 2017, two of our Year 6 Squash Teams and one of our Year 5 Squash Teams competed in the Essex School Games Squash Competition. They were competing against other schools from all areas of Essex who play squash.

They all played incredibly well and should be extremely proud of themselves.

Three Squash teams from Class 4, who made it to the Essex Games Squash Finals, went to the Garrison to play for Ardleigh St. Mary's on the 20th of January 2017. Everyone was on their best behaviour at representing the school, and everyone played a brilliant final! There were lots of schools like Lawford, St. George's - Great Bromley, Mersea Island and Frinton. Ardleigh 1 Year 6 came first so that was fantastic, Ardleigh 2 Year 6 came fifth and Ardleigh 1 Year 5 were runners up .

Space Workshop

On Wednesday 25th January 2017, Claire Seeley from the UK Space Agency, visited Class 3 to carry out a Science Workshop.

The children were tasked with filtering 'Space Wee' so that it was clean enough to drink. They learnt about the importance of reusing every resource possible when in Space and then set about using a range of materials, including gravel, sand, charcoal and coffee filters to filter out all the 'bad' bits.

The whole class really enjoyed the challenge and a wide range of ideas and techniques arose. The eventual winners achieved a 5 out of 5 for clarity without losing a drop of their original liquid!

Y5 Music Workshop

On the 26th January 2017 Year 5 went to the Manningtree High School Music Workshop. They all took part in different activities such as 'Jazzed Up', 'The House Band', 'Music Zoo' and working on the music computers, where all of the Year 5s created their own music with a partner. Finally they went to a vocal workshop.

All of the year pupils really enjoyed the event.

Y2 Cookery Workshop

On Thursday 26th January 2017, 3 pupils from Year 2; Daisy Crilly, Chase Johnson and Henriette Samways, were warmly welcomed to Wix and Wrabness Primary School for a hands-on cookery workshop. This had been organised by the Tendring Small Schools' Cluster as part of their Enrichment Activity Programme.

Together they made a large pizza and decided which toppings to add and got to take some home after they had been cooked. They then talked with Mrs McKenna, who accompanied them, about how we should eat a balanced diet and had great fun drawing and colouring pictures of different foods to put on a giant eat well plate!
